Date: _____

Dear Prospective Student:

You are cordially invited to visit Utopia Hair Salon LLC & Cosmetology Training Center and learn more about the opportunities available to begin your education and career in cosmetology.

Choosing a cosmetology school is an important decision. A personal visit provides an opportunity to see our training environment, meet members of our staff, and obtain information that can help you determine whether Utopia is the right choice for your professional and educational goals.

During your visit, you will have an opportunity to tour the cosmetology training facility and student clinic area; meet instructors and administrative staff; learn about our cosmetology training program and curriculum; discuss program schedules, attendance requirements, tuition, and enrollment procedures; review student expectations and graduation requirements; and ask questions about Virginia cosmetology licensing requirements and career opportunities.

Prospective students are encouraged to bring a parent, spouse, guardian, or other person involved in their educational decision. Visits may be scheduled by appointment so that we can provide you with individual attention and sufficient time to answer your questions.

We look forward to welcoming you to Utopia Hair Salon LLC & Cosmetology Training Center and introducing you to the education, hands-on training, and professional development available through our cosmetology program.

Sincerely,

School Administration
